

## Winter Seed Sowing in Milk Jugs by Laura Bartel

Our very own Laura Bartel will present a hands-on demonstration of winter sowing in milk jugs. Please bring one or more clean milk jugs, a pair of scissors and any seeds you might want to start. She will supply the soil and anything else we might need. She will also bring plenty of seeds for us to use.

*February 9th at 6:30pm  
Twinsburg Senior Center*

Bring your ideas for ways to be involved in our community in the coming months as well as your eagerness to work on a committee and make this a great garden club year. We are planning some wonderful speakers, field trips and hands-on projects this season.

*Bring a friend to a meeting and share the fun!*
