

OUR GARDEN PATHS

Volume 4 Issue 3

Digital Photography of Nature Presented by Michael Witt, an Instructor And Great Photographer

HELLO,

I hope you've been using this 'dormant' season as an opportunity to creatively plan your garden beds and containers etc. Now it's spring—so hopeful and exciting!

Our club's April 9th meeting will be on the topic of **improving our photography skills**. Be sure to bring your cameras and if possible, their instructions. Michael Witt is an award-winning photographer from Massillon who has taught photography at Akron U. and to highschoolers. He recently illustrated a coffee-table photo book on the Jackson Bog!

He wants to help us with any problems and questions concerning the use of our cameras. Soon we will initiate our photo contest so this will be a good way to get ready for it. **Do come and enjoy** the talk! There will be time for questions and sharing. Bring a friend or two.

May I encourage you to bring some garden-related items for the baskets that Karen Fullerman will be putting together for the plant sale on May 23rd (note change of

date voted on at the last meeting) This will be another way for us to raise some money for scholarships.

This meeting will be the last time to bring seeds for Rwanda.

I hope you'll take advantage of the Garden Forum of Greater Akron's programs. It meets at Stan Hywet at 10:30-12:00 on April 9th. This time Dianna Mullins will help us put together a creative design. Let Ada know—we could car-pool

ANNOUNCEMENT:

Akron district's Spring Program and luncheon is on Tuesday May 5th at the Sheraton in Cuyahoga Falls. We will learn about honey bees as presented by Bob Bard and John Irvine. After lunch. The creative Dot Blum will present "Beautiful Native Ohio", a design program. (Cost is \$17 before 5/1)

Meetings are held the 2nd Thursday of each month at the Twinsburg Community Center, 6:30 pm
