FLOWER ARRANGING VERSUS FLORAL DESIGN by Aggie Goss

Our July program will be presented by Garden Club of Ohio second vice president Aggie Goss. Aggie is an accomplished floral designer. I'm sure this program will spark some creative juices in all us. I hope everyone can attend and there will be a raffle.

Our **Garden Tour**, which was held on **Saturday, June 21, 10:00 am—4:00 pm**, was a total success thanks to all of you!!! A big thank you to **Marianne Pieramici** for all her hard work putting it together. In addition, a big thank you to **Gail Takacs** and **Judy Frohman** for their PR work. It really contributed to the tour's success. We earned \$500. WOW!!

A special thank you to all the homeowners. It took a lot of hard work and money for them to have their gardens ready by mid-June.

TGC's Annual Potluck Picnic will be held at Karen Labbe's home on August 14 at 6:30 pm. Thank you Karen for offering your home to us.

We can't wait to see your garden!

Guess what??? It's that time of year again. **2009 Officers are needed**. We will need to fill all positions — president, vice-president, secretary and treasurer. Please consider volunteering for one of the vacancies. It's a lot of fun and it's a great way to meet other members and it really does not require a large time commitment.

Garden Forum of Greater Akron newsletter will be posted to our website. If you requested to receive TGC's newsletter via US Mail, you will also receive the Forum's newsletter via US Mail. Otherwise, please go to the website.

Mark your calendars....Tuesday, September 23 — Akron District Fall Program and Meeting, 10:00 am—2:30 pm will be held at the Sheraton Suites in Cuyahoga Falls. There will be two programs. Details forthcoming. I hope you can attend.

There will not be a newsletter in August, but there will be one for September.

DONATIONS...Please keep in mind that September is the month that we determine our donations. Just a thought here...what do you think about opening a separate savings account for the scholarship fund?
