Garden Club's 21st Annual Plant Sale to be Held at Twinsburg Fitness Center, May 17

The Twinsburg Garden Club will hold its 21st annual fund-raising plant sale on Saturday, May 17, from 8:30 a.m. to noon, unless sold out earlier.

The sale will be held at Twinsburg's Fitness Center behind the high school on Ravenna Road.

Jean Lucas, Twinsburg Garden Club Co-president and Plant Sale chair, said,

"The plant sale will feature a wide variety of perennials, from flowering plants to hostas and ground covers, donated by Garden Club members from their own gardens. These much desired plants, potted and labeled, will be reasonably priced."

The event also includes a bake sale, chaired by Marie Wilson. The bakery will feature reasonably priced breads, muffins, cookies and more.

In addition, Karen Fullerman, Club secretary, is putting together a large basket filled with garden items to raffled off. Donations can be dropped off at her

home, but call her first to see if she will be home.

Volunteers are needed on Friday, May 16 from 3:30 to 7:30 p.m. and on Saturday, May 17, the day of sale.

Additional pots and markers are available at Lucas' home, near the front door. She said to help yourself.

Co-chairs Jean Lucas and Marianne Pieramici are busy working on the Garden Club's Garden Tour, which is scheduled for one day, Saturday, June 21, from 10 a.m. to 4 p.m.

This year's exciting tour will feature six homes with beautiful gardens. Tickets will most likely be \$6 per person. Other details to be announced.

Volunteers will be needed to host each home. A sign-up sheet will be at our May 8 meeting. Or call Jean at 330-8109, Marianne at 330-425-7166.

Naturalist Stanley Stine Speaks at Garden Club, May 8

Stanley Stine, naturalist for the City of Twinsburg for the last nine years, will be the guest speaker for the Garden Club's May 17 program in the Senior Center at 7 p.m.

Our bushy-bearded naturalist will present an "Introduction to Wildflowers," many of which can be found in Twinsburg's green spaces including Liberty Park. His office is in the Stone House, but one can often find him leading tours in the park throughout the year.
