HELLO !

Isn't this time of the fall beautiful? The trees and shrubbery colors are so vibrant! Are you preparing your beds for winter? You could add compost on top. If you have cannas or dahlias and/or elephant ear, you can dig up their tubers after the first frost and store them in a cool dry area after they dry a bit.

We're gathering for our meeting at the regular time—2nd Thursday in the craft room where we always make the swags (The room wasn't available the 3rd Thursday). Bring pruners and gloves.

We'll vote on board nominees and start to sign up for next year's committees. Also payment for our Christmas party will be accepted. You can pay next year's dues too.
