#### HELLO !

Since our last letter I've had a glorious time of becoming a grandmother two more times! This adds up to 6—all under 3 years!

Our next meeting date is on September 10th at the community center at 6:30 PM— like usual. After a short meeting, we'll have a slide show presenting the various Garden of the Week "winners" this summer. There will be various shots of each garden—also with some up-close shots . Then the committee for Garden of the Week will present an award for the person's garden deemed best this year. Do invite friends!

#### PHOTO CONTEST

Don't forget to bring photos for our contest. The last date for accepting them is the end of September (to Ada) Do label them on the back with your name (also the date and title or division would be helpful). They do not have to be framed or enlarged; but either will be acceptable. May I remind you of the main divisions:  
(I have more handouts to give )

1. My garden (or private garden)
2. Floral close-up
3. Garden Friends (ie. Person ,bird or insect)
4. Garden Activity
5. Public Garden
6. Any Nature Photo (could be a landscape etc.).

An objective committee judging them has the right to place your photo in a different category and/ or create a new one.

So keep taking photos and prepare to enter them. I'd like to see every member enter at least one or more!

**THANKS** to Catharine & Bob!

We all enjoyed our annual picnic in their beautiful garden! -

**Thanks** to our animated and funny auctioneer: Jan Rolko! She helped us raise over \$100 from yard-sale leftovers and the "white elephant" items we gave.

Meetings are held the 2nd Thursday of each month at the Twinsburg Community Center, 6:30 pm

NOTE

?

Did you sign up for the Akron GCO District FALL Program & Luncheon at Sheraton Suites Sept. 14th?
